-----

Trial font software does NOT contain the full features found in our retail versions, The following features may be limited or not exist within the trial variants and should be considered when making decisions based on trial typefaces:

- Limited or nonexistent OpenType features
- Unsupported characters or glyphs, including ligatures
- Limited diacritics and language support

The character map below displays what each trial typeface contains. Before you start using our trial software, please ensure that you understand the licensing limitation of using the trial typefaces.
